1. Have you have experienced the death of someone close to you? How did you grieve that loss? Is ok to grieve?
2. What is the difference between grieving like those who don't know Christ and the hope for those who do?
3. Are you ready for His return? How can you be ready?
4. How do you think we should live in light of Christ's imminent return? Give some specific examples. What might need to change in your life?
5. How can you comfort someone who has experienced the death of a loved one with “these words”? What does that mean?
