### Discussion

1. What does it look like to desire God? Do you desire God? If not, why? What are some things you can do as a family to strengthen each of your desires to grow in your relationship with Jesus?
2. Are you being restored by God? What do you think that means? What do you think that process looks like?
3. Who in your life and circle of influence doesn't know Jesus? Psalm 55 tells of the betrayal of a friend. To add, the greatest betrayal we can do for someone who doesn't know Jesus is not pray for them to receive Him. Go around and share with your family who that is and spend time praying together for those people.

### JUNE 21-July 3 Scripture Memory Verse

He will never allow the righteous to be shaken."** Psalm 55:22
