Our Response:

- 1) How can you be better prepared for worship each Sunday? What changes do you need to make in order to be prepared for worship?
- 2) Take a look at your calendar or how you keep up with your time this past week...What priority did worship and time in the Word take in your life? What changes can you make this week to make it more of a priority?
- 3) Do you have a tendency to interpret your life through the lens of Scripture or the Scripture through the lens of your life? Why is this important?
- 4) How can and do you rejoice in the Word of God? What difference does it make in your everyday life?
- 5) How do you need to respond to the Word of God today? Be specific!
