## **Our Response:**

- 1) Why are times of worship and confession/repentance in our life so important? How can you make that a priority in your life this week?
- 2) Why is it so important to stop often and recount the goodness of God in our lives? Spend some time today or this week celebrating and remembering the goodness of God in your life!
- 3) Why was is it so necessary & important for the people to recognize their sin and the rightness of God's discipline in their lives? Why is it important for you?
- 4) How do you can you and your family to be separate from the world – as Jesus said to be in the world but not of the world? What changes might you need to make?
- 5) What is you and your families' priority of the Lord's Day? How does our culture view the Lord's Day? What possible rearrangement of priorities might you need to make?
