Our Response:

1. Is God’s Name holy in your life? Do you know Him by Name? The only way to do that is to ask Him to be your Father. Remember, it is as easy as **ABC**. **Admit** to God you are a sinner, **Ask** for His forgiveness, **Believe** Jesus is God’s Son, **Confess** Him as Savior and **Commit** Your Life to Him as Lord.
2. Are you a part of a church family that is making His name Holy? If not, is God calling you here? Join this family today & help us to make His name known here & to the ends of the earth!
3. Believer, are you praying and living in a constant awareness of Him? If not, begin this week to think about throughout your day that He is with you. Find some way to remind yourself of that truth every day this week .
4. Is your life reflecting the greatness, holiness, and power of God to others on a daily basis? Is your life set apart – holy and pure before Him and before others? Take the time to evaluate your life and see if you are living a holy life. Confess those things that are keeping you from being holy as He is.
5. Make some changes in your praying and begin with praising and honoring His name, and not running to Him for just what you need or want. He loves to hear your praise His holy and matchless name.
